

Art Curriculum

Year Group	Autumn	Spring	Summer
Year R	<p>In EYFS, children develop their artistic skills by exploring colour, line, texture and pattern through a wide range of creative experiences. They experiment with paint, chalk, clay, collage materials and natural objects, learning to mix colours, make marks in different ways and create artwork inspired by artists such as Kandinsky and Van Gogh. Through seasonal crafts, transient art, drawing self-portraits, observational sketches and expressive painting, children learn to express ideas visually and talk about the choices they make.</p>
