	What is life like in the alps? Kapow Cycle A <i>*2025-2026-complete in Spring term to ensure coverage</i>	Would you like to live in a desert? Kapow Cycle A	Where does our energy come from? Kapow Cycle A <span style="color: green;">Fieldwork skills</span> <span style="color: purple;">+Y6 sustainability lesson</span>

<b>Year 5/6 Cycle 2</b>	<b>What is the human impact on the World?</b>		
	Why does population change? Kapow Cycle B +Y5 sustainability lesson	Why do oceans matter? Kapow Cycle B	Can I carry out an independent fieldwork enquiry? Kapow Cycle B Fieldwork skills

**Kapow-6 lessons per topic**

- KS1 had already started the weather unit in the Autumn term, before we purchased the scheme, so for that year only, we will swap the Autumn and Spring units.
- Where units have been missed, as they are only 6 weeks, they can be completed in other terms.
- Current Y5 miss out on the natural disasters but they did an English topic in Y3 which covered some of the content.
