

BEING ME IN MY WORLD

Jigsaw Jez's Journey

How does my world compare to other children's worlds?

self-respect
courtesy
manners
appreciation
empathise

conflict
prejudice
persecution

I will learn about...

- setting personal goals and facing challenges positively
- being a citizen of my school and of my country
- rights and responsibilities
- democracy and having a voice in my school
- the consequences of different behaviour choices on a person and the people around them
- our Learning Charter

I will explore...

- what I value about my school
- empathy for others
- how my actions affect people
- ways of working together
- taking part in decisions
- helping others through our Learning Charter

vision
opportunities
motivation

wealthy
privilege
deprive
denied

asylum
migrants
refugee

BEING ME IN MY WORLD

Jigsaw Jez's Journey

Can you give an example of how people in your country have different lives from one another?

My Thinking Pad

What have I learnt in this puzzle that helps me in our world?

Being part of a community is positive because....

We have rules, rights and responsibilities because...

The actions of another person can affect others by...

Why do rules, responsibilities and rights help people in the wider community?

How might rules, responsibilities and rights make groups work together more effectively?

Looking back at my journey

Something important I learned...

I feel proud that...

A question I still have is...
